

Medication Assisted Treatment (MAT) Resource List

Revised 10.6.26

Please note that all clinics on this list offer at least suboxone. We do not guarantee any of these providers will continue all your current medications though. These are suggestions and a starting point for you to call and ask questions.

Providers for those on **Subutex** (buprenorphine)

*Those who take Subutex can also receive the sublocade injection as it is buprenorphine ONLY. Check that your insurance will cover the shot for you. Review this website for more information - <https://www.sublocade.com/faqs/>
